The Year's Great Event.

The Official Opening of the Nurses' New Home was undoubtedly the most important event of the year. A description of the new building will be found on page 39. Full details were also given in the illustrated Souvenir issued on the occasion of the Official Opening.

Board of Governors.

The resignations of Mrs. H. N. Bickerton, Sir Thomas Taylor, J.P., Mr. D. Whitfield and Mr. D. M. Catlow, J.P., were received with regret.

Alderman G. H. Fletcher, C.C., Mr. E. R. Clark and Mr. C. F. L. Slater were appointed members of the Board,

Obituary.

The Governors desire to express their deep regret on the passing of Councillor I. L. Warburton on the 11th October, 1939. Councillor Warburton was very actively concerned with the affairs of the Institution and always helpful whenever the opportunity arose.

The Governors were sorry to learn of the passing of Mr. J. Carroll. Mr. Carroll represented the Trades Council on the Board of Governors, and was extremely interested in all that concerned the Infirmary.

Hon. Consulting Staff.

The Governors offer their warm congratulations to Mr. Harry Platt, M.S., F.R.C.S., upon his appointment as Professor of Orthopaedic Surgery in the Victoria University of Manchester.

The Governors greatly regret to report the death of Dr. C. Averill, who many years ago rendered valuable service to the Institution.

Hon. Medical and Dental Staff.

The Governors record their indebtedness to the Honorary Medical Staff for their unremitting care of the patients and for their valuable advice and assistance in all matters affecting the interests of the Infirmary.

Thanks are also due to the Honorary Dental Surgeons for the Voluntary work they have carried out during the past year.

Nursing Staff.

No praise can be too great for our Nursing Staff. In the course of the year many tributes were paid to the work of the Matron, Sisters and Nurses.

The New Home has been in occupation for almost a year and the anticipated advantages to the Infirmary and its Nursing Staff are being fully realised.

Ladies' Linen League.

The Governors again thank the members of the Linen League for their good work in continuing to provide the Infirmary with linen for the Wards.

Mr. A. E. Hanrahan.

The Governors regret to report the death of Mr. Albert Edward Hanrahan. Mr. Hanrahan was Secretary of the Infirmary from September, 1904, until July, 1936, and no Institution could have been served more loyally, devotedly and faithfully.

Ladies' Voluntary Workers' Committee.

The Ladies' Voluntary Workers' Committee have generously presented to the Infirmary a "Hobart" Mixer for use in the kitchen; they have also promised to provide one of the Wards with an Automatic Bed-pan Washer, and this is now on order.

Workpeoples' Infirmary Fund.

The Governors desire once again to place on record their deep sense of obligation to Mr. G. F. Barlow, the Chairman, and the enthusiastic members of his Committee on the increasing success of their work. The total amount of £3,691 shows an increase of £240 on 1938.

Grateful thanks are also extended to the Bollington and Pott Shrigley Infirmary Committee for the substantial help they give.

The Ladies' Committee.

The Governors are most grateful to the ladies for their valuable and continued interest in the welfare of the Infirmary.

A.R.P. Emergency Measures.

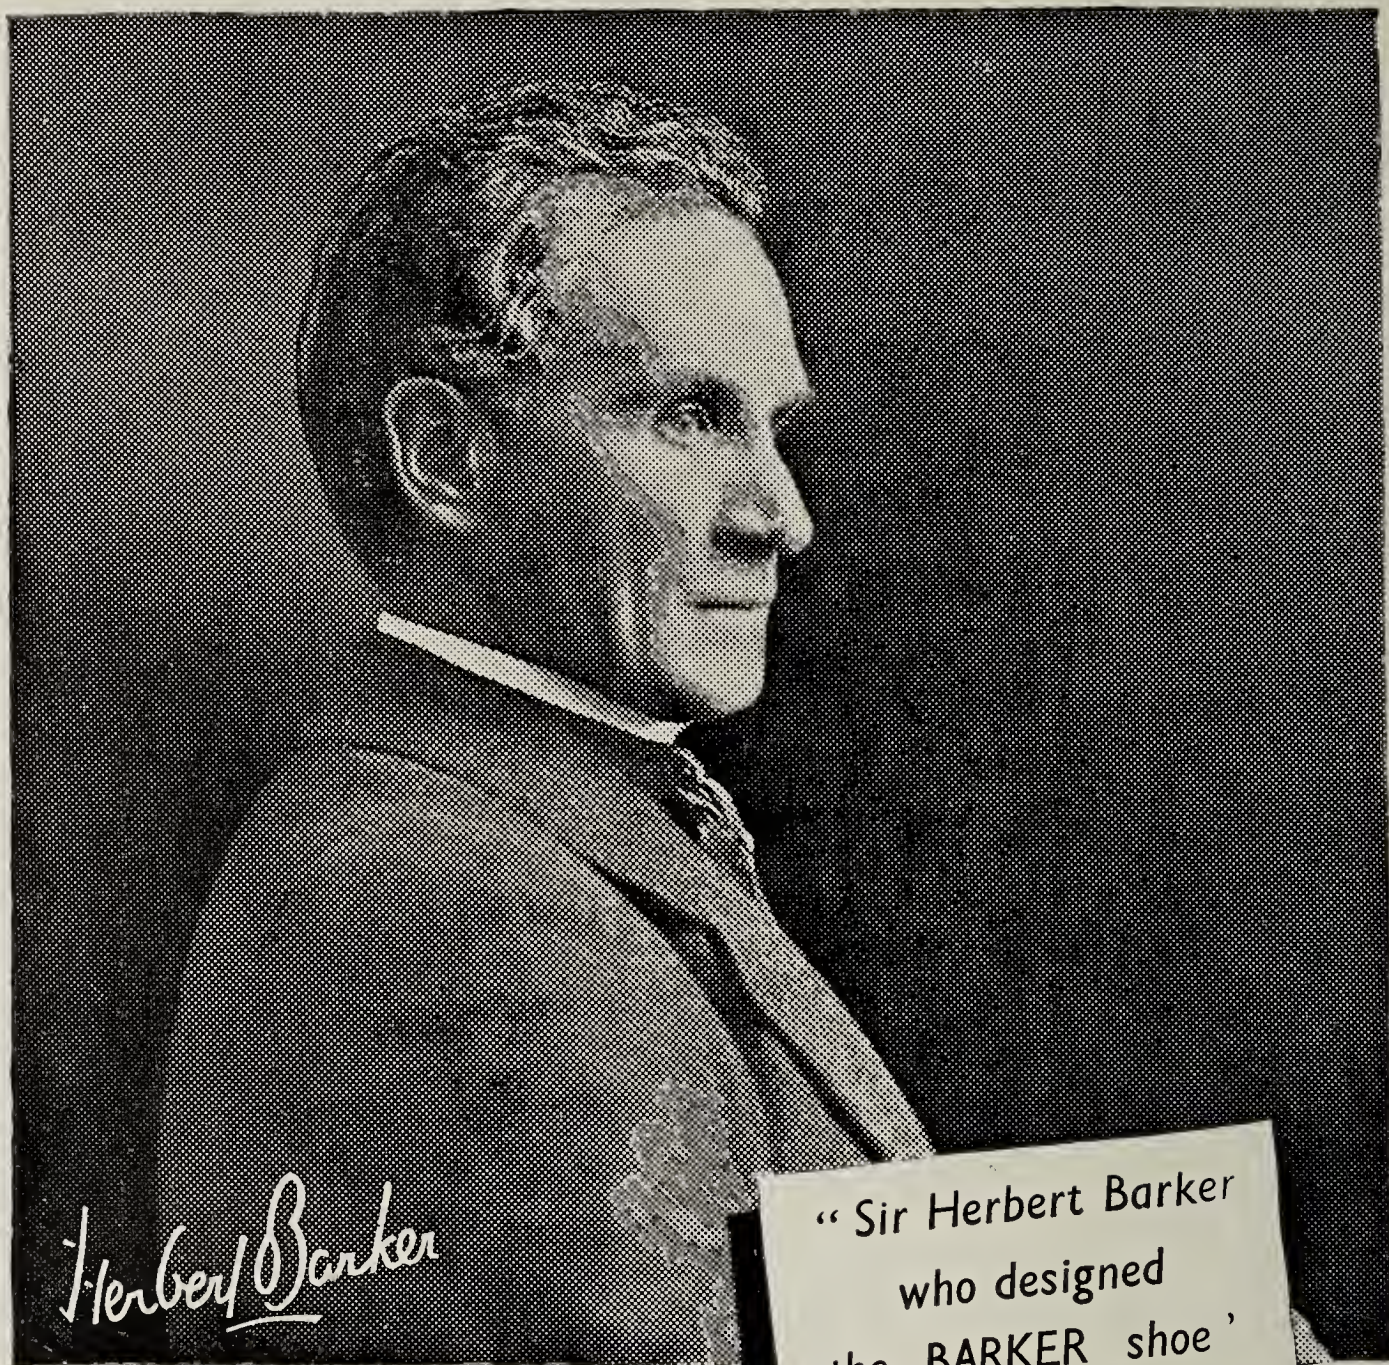

During 1938 a Special Sub-Committee was formed to outline proposals regarding Air Raid Precautions and before the Declaration of War matters referred by this Committee to the Board were put into operation. Stocks of provisions, drugs, dressings, hardware, and surgical instruments were increased, and work on the protection of buildings, gas-proofing of food stores and screening of lights were carried out. Special mention must be made to the excellent work rendered by Mr. W. V. Tyler and other voluntary helpers in the arrangements carried out for protecting the buildings. Arrangements for a First Aid Post have been carried out between the Cheshire County Council and the Infirmary. This is situated in the Out-Patients and the Sunlight Departments. The Ministry of Health have agreed to pay for reserved beds for casualties at fixed rates for beds unoccupied and occupied.

Thanks.

In concluding their report for the year 1939 the Governors have pleasure in recording their deep sense of appreciation of the splendid help they have received from the public and feel confident that whatever is needed to maintain and extend our Hospital services will be forthcoming from the generous well-wishers of the Infirmary.

Hon. Secretary.

“It is a great satisfaction to me,” writes Sir Herbert Barker, “to know how appreciatively the public has received this – in my opinion—perfect-fitting shoe. I have received letters of thanks from all over the world—and even telephone messages – from complete strangers who wish to express their gratitude for the new sense of foot-freedom and revitalised health which has followed their wearing of Barker-form shoes” Prices from 42/6 to 55/-.

In the latter part of the year the scope of the work was extended to include out-patients. This has made it possible to treat as out-patients some cases which would otherwise have had to be taken in: also the fact that in-patients could attend, as out-patients, after discharge, for periodical tests and control of treatment has made it possible to liberate their beds at an earlier date.

Matron's Report

I have much pleasure in presenting my report for the year ending December 31st, 1939. The numbers of the nursing staff have been well maintained, and the year has shown a very good health record. There have been the following changes:—

SISTERS:

Miss F. M. Allen, S.R.N., S.R.F.N., S.C.M., left us to take up her appointment as Matron of the Louth and District Hospital, Louth.

We were able to extend help to one trained nurse in July, 1939, when she came as a refugee from Germany. Five new probationer nurses entered during the year.

Examination results of the General Nursing Council for England and Wales:—

5 passed Final State Examination.

7 passed Preliminary Examination.

5 passed Test Educational Examination.

Three of the nurses who became State registered have remained on the staff.

Three nurses left to continue their training in other branches of nursing.

The Governors have again allowed the members of the Red Cross Society and of the St. John Ambulance Division every facility for working in the wards and departments, and hope that this experience has proved of real practical value.

We are indebted to some members of the W.V.S. for helping with the mending and general care of linen in the Hospital.

The red letter day of the year was the occasion of the official opening of the Nurses' Home. This fine building is greatly appreciated by those who share its comfort. We thank everyone who contributed to its completeness.

To those who have helped us during the year and especially at Christmas time, by contributing money and gifts in kind, we extend our warmest appreciation and thanks.

I wish to thank the Sisters and Nurses for their loyal support and co-operation throughout the year.

January, 1940.

REPORT OF THE FINANCE COMMITTEE

of the Governors of the Macclesfield General Infirmary.

Ladies' and Gentlemen,

In presenting the Financial Statement for the year ending 31st December, 1939, I wish to take this opportunity of thanking all those who by special efforts, and in many ways have assisted the finances of the Institution.

Our expenditure continues to grow, and now amounts to £14,937 10s. 6d. This compares with the sum of £13,854 19s. 6d. in the previous year 1938.

The Workers Infirmary Fund contribution now amounts to £3,586 13s. 10d. Bollington and Pott Shrigley have contributed the sum of £521 0s. 0d., Prestbury £64 0s. 0d., Entertainments £83 4s. 0d. All these amounts go to show the real live interest which is being taken in the Institution.

We have during the year received the following legacies:—

The Executors of the late Mr. William Dickinson for the Nurses Home Fund £176 12s. 11d.

The Executors of the late Mr. Harry Johnson, Coventry, £1,000 0s. 0d.

The Executors of the late Rev. Thomas Paxton, £200 0s. 0d.

The Executors of the late Mr. Sidney Wilde, £300 0s. 0d.

We have received a donation from the Trustees of the Bernard Baron Charitable Trust of £50 0s. 0d.

The London, Midland & Scottish Rly. Co., have contributed £110 7s. 0d.

Our Endowment Fund has been credited with £500 0s. 0d. by the repayment of the Salford Corporation Mortgage and re-invested in the Macclesfield Corporation for the period of three years.

We have received from an anonymous donor for the Nurses Home Fund a sum of £500 0s. 0d.

In any review of the past year's finances mention must be made of the splendid contribution from the Ladies' Committee in furnishing the new Nurses Home. As a free gift without any conditions, they furnished entirely the new Nurses Home. When it is remembered that there are fifty-eight bedrooms, and in addition the social rooms in that new building, each one may form their own opinion as to the value of the gift.

I regret to say that in spite of every economy the year ends with a deficiency of £470 7s. 2d.

We have received from patients in the Institution the sum of £2,528 3s. 2d.

Our Endowment Investments have brought in the sum of £3,858 11s. 5d.

I would like to call attention to the sum recovered for the benefit of the Infirmary from subscriptions received from those who have entered into covenant for a period of seven years, by which we are entitled to the refund of the income tax. If all our subscribers would kindly make a similar covenant with the Governors, it would add considerably to our income.

These are some of the principle items, all of which, and others, are embodied in our statistical report.

We wish to thank all those who have in any way assisted through Whist Drives and other entertainments, or in various ways, with the great work which is being done at the Macclesfield General Infirmary.

A. W. HEWETSON, Chairman,

NEW HOME FOR NURSES. (OUTSIDE VIEW).

THE NEW HOME FOR NURSES

THE New Home was officially opened on Wednesday, April 19, 1939 by Mr. J. F. Morton, Honorary Secretary of the Infirmary.

Description of the Building

The total cost of building New Home is just over £16,000. The number of rooms in the Home is 90, comprising 58 bedrooms, 5 sitting rooms, cloak room, office, linen room, box room, kitchen, laundry, recreation room, housemaids' pantries, bathrooms, etc.

Although all modern ideas in building construction have been incorporated in the erection of the new premises, the architect has retained an atmosphere of homeliness and ease.

Work on the new building started in March, 1938, and many features have been incorporated which are entirely new to Macclesfield.

The Architect has included one of his own patents in the ventilation scheme which provides for permanent window ventilation without the slightest sign of draught.

The central heating system is most admirably devised and even the towel rails in the bedrooms are kept warm.

There are ample facilities for recreation and specially designed ceilings absorb all sound in the building.

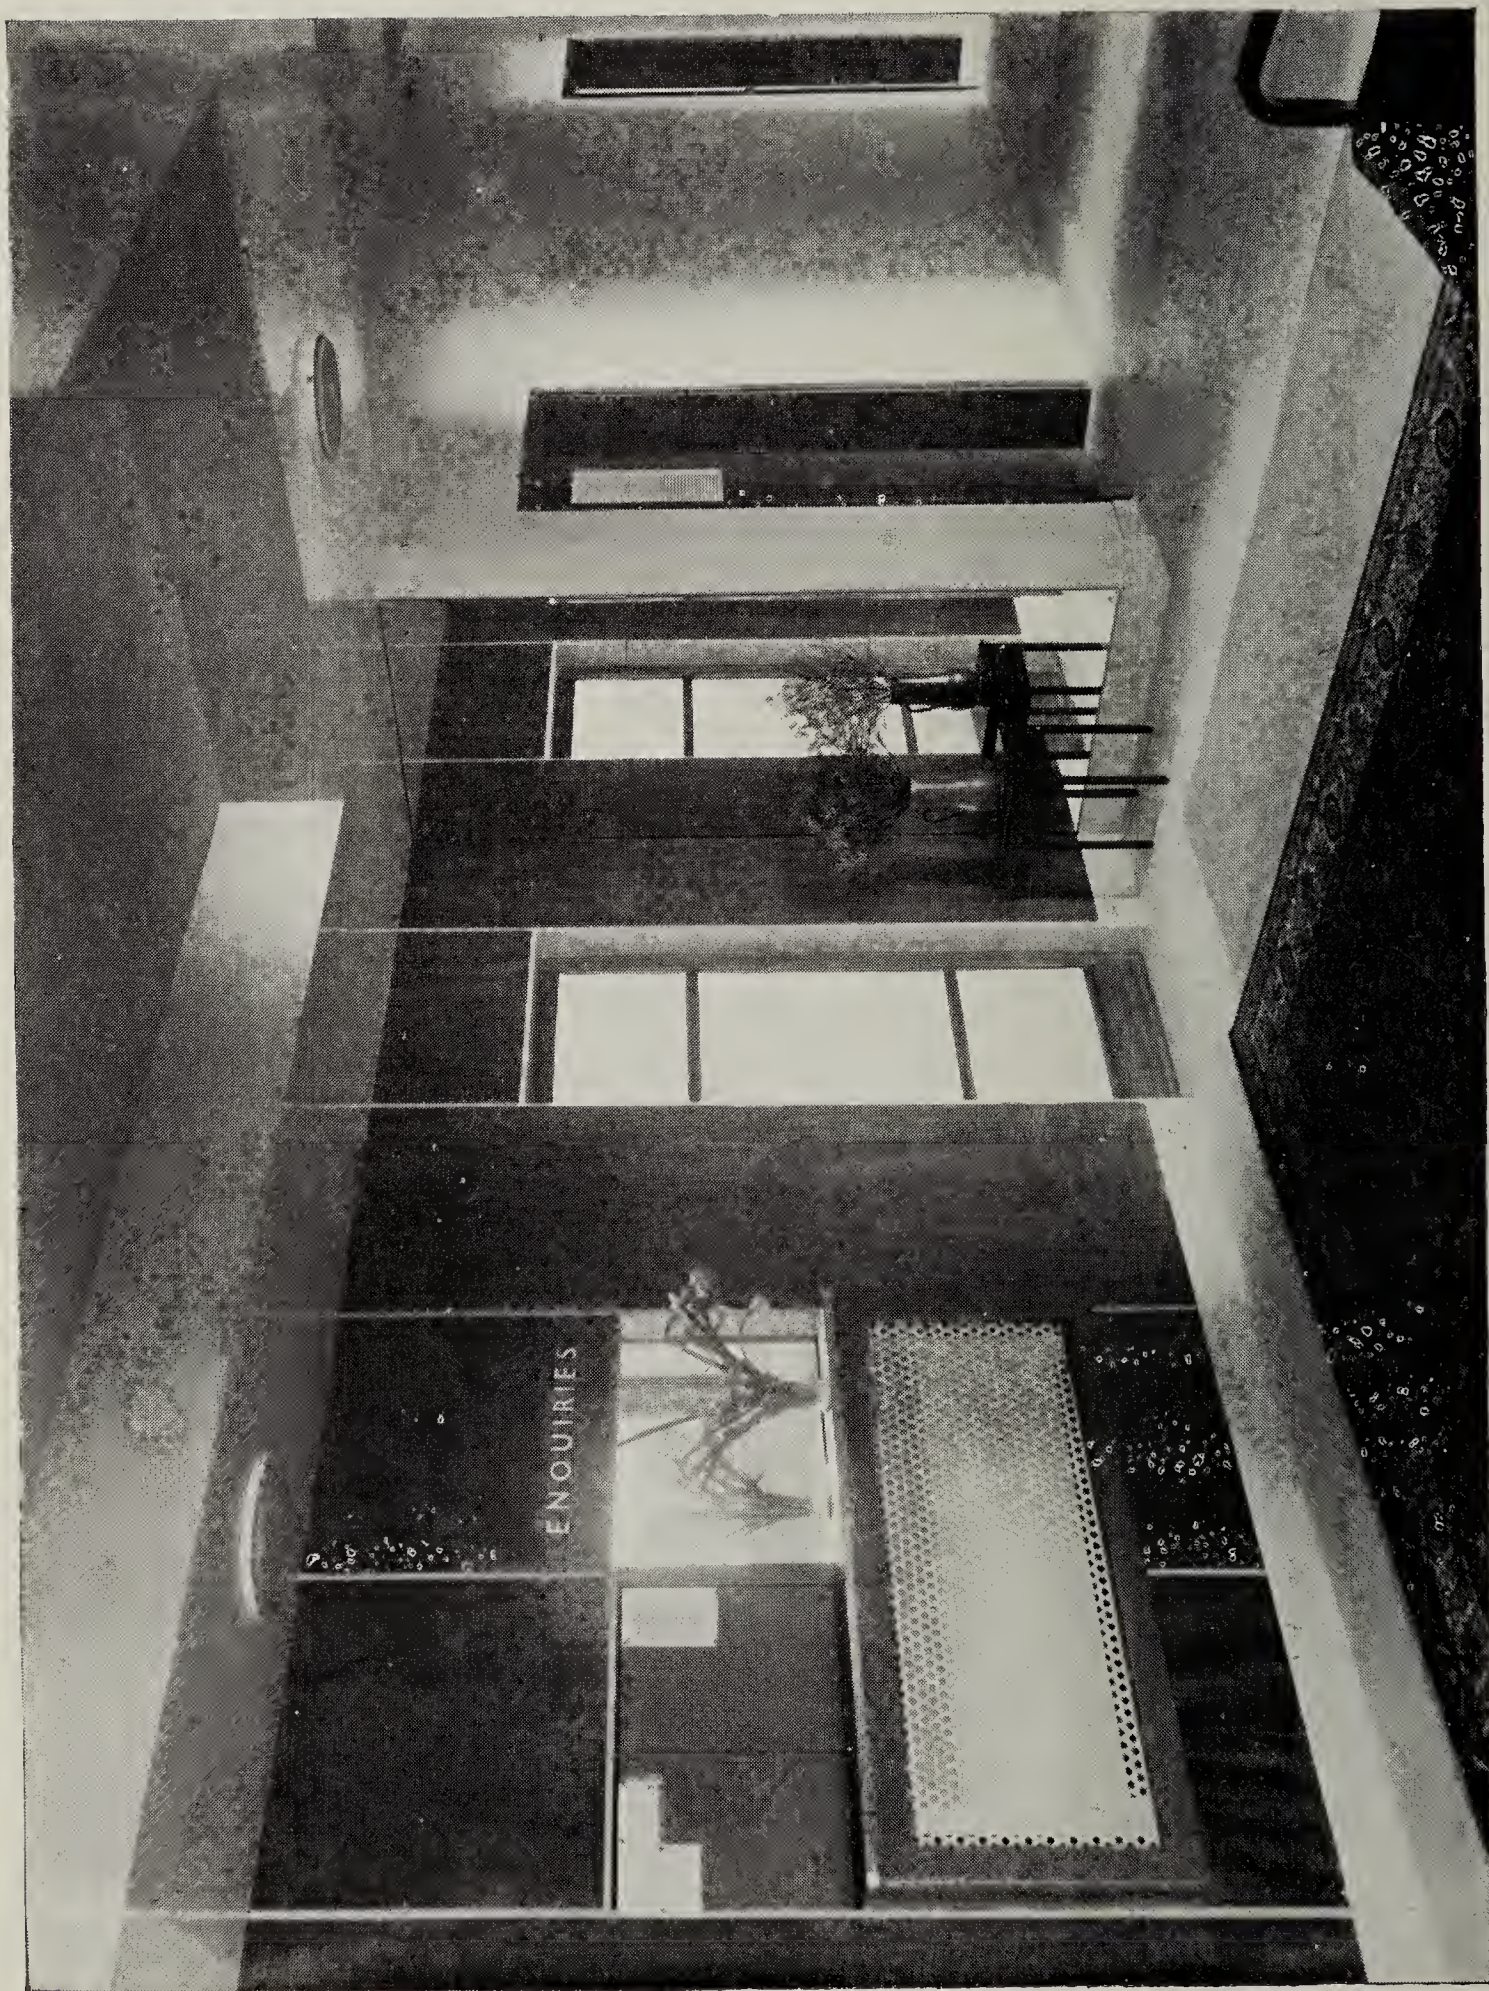

Meals are not served in the Home, but there is a small kitchenette where quick snacks are prepared.

In the Laundry the Nurses may do their own washing, ironing, and even shampoo their hair.

The Front Entrance to the Home has a grey marble frontage, to the right is an open terrace with the recreation room and sitting rooms immediately behind.

The Ladies' Committee have very kindly furnished the Home throughout, which has greatly enhanced the charm of the new building. The Ladies' Voluntary Committee have provided a Chappel Piano and Sewing Machine.

The building is itself a standing tribute to the skill of the Architect, Mr. Frederick Gibberd, A.I.A.A., L.R.I.B.A., and the good work of the builders, Messrs. Cooper Bros., Ltd., and subsidiary firms.

17th February, 1940.

To the Governors of the Macclesfield General Infirmary.

Gentlemen,

We beg to report that we have audited the Accounts of the Macclesfield General Infirmary for the year ended 31st December, 1939, and, having found the same to be correct, have certified accordingly.

All Accounts paid during the year have been vouched either with receipted accounts or Bank lists verifying payment to the various payees banking accounts direct. All counterfoil receipts issued have been checked by us with the Cash Books.

We have examined the Deeds and Securities for the Investments on the various accounts and funds of the Infirmary and found the same to be in order.

We have also audited the Accounts of the Thornycroft Convalescent Fund and having found the same correct have certified accordingly.

WORKPEOPLE'S HOSPITAL FUND.

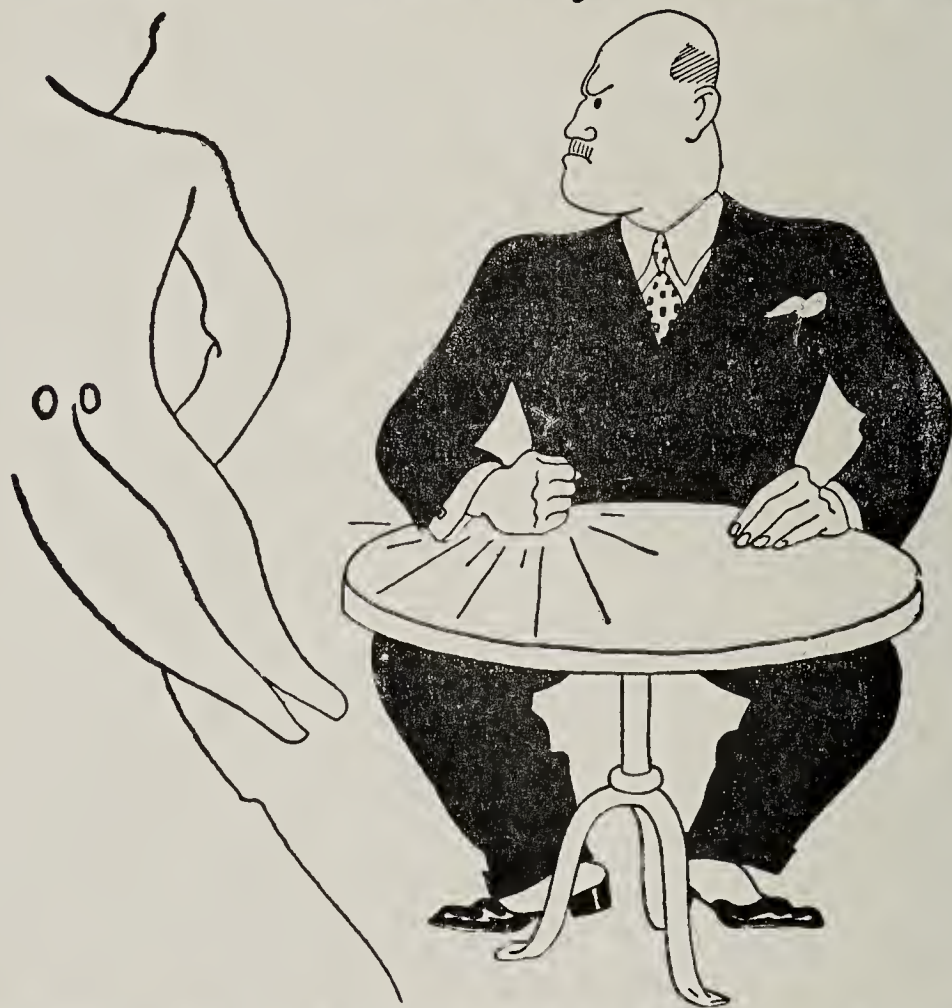

We have audited these Accounts with the Counterfoil Receipt Books and Vouchers for payments made, and verified the same with the Bank Pass Book, and certify them to be correct.

The Books of the Infirmary are kept in an efficient manner, and any information required during the interim and annual audits has been readily and courteously given.

Yours faithfully,

J. R. ATKINS & CO.

Report of The Macclesfield Workers' Infirmary Fund Committee

The development of the Workers' Infirmary Fund has once again exceeded all expectations—a remarkable demonstration of the public appreciation of the value of the services given at our Hospital and indicative of a widespread realisation that the efficiency of the services must be maintained whatever the economic conditions.

In reporting an increase of £240 during the past year tribute must be paid to the members of my Committee who have worked so hard and enthusiastically to make the Workers' Fund one of the main supports of the Institution.

It is interesting to note that we have found that firms have materially increased their contributions when they have commenced deductions from wages.

We have recently received the resignations of Mr. J. Buxton and Mr. T. Hunter, owing to their inability to attend the Meetings. They have both rendered valuable assistance as members of the Workers' Infirmary Fund Committee and we are assured that their interest in the Infirmary will continue.

It is with sincere regret that I have to report the death of Mr. A. E. Hanrahan, who had been Secretary of the Workers' Fund since its inception in 1914 until 1937. Mr. Hanrahan rendered most excellent service to the Committee and the splendid work he accomplished has been placed on record.

During the past four years we have obtained the following results :

Year.		Amount.		Increase in the Previous Year.
1936	£2,257	£257
1937	£2,900	£643
1938	£3,451	£551
1939	£3,691	£240

				£1691

I am firmly convinced that when the Scheme of the Workers' Infirmary Fund is more widely understood, and its benefits appreciated the response will be even more handsome than it has been in 1939.

G. F. BARLOW,
Chairman.

Keep your Feet healthy

There is only one way in which **YOUR FEET CAN BE KEPT HEALTHY** and that is to allow the feet to function freely in your shoes. The correct shape of shoe, properly fitted give you this freedom and at the same time, gently but firmly supporting the foot where required.

Foot Comfort is very important to our well-being, so it behoves us to give them a little more care and attention.

Remember — We cannot have new feet but, we can have real healthy and happy feet in correctly fitted shoes.

Annual Report—Ladies' Infirmary Committee

Our outstanding work for the past year has been the completion of the furnishing of the new Nurses' Home in April; we hope everything has proved satisfactory.

We especially wish to record our gratitude to Mrs. and Miss Donohue for so generously defraying the entire cost of furnishing the Sisters' sitting room.

We were again favoured with beautiful weather for the Garden Fete, held at Hare Hill, through the kindness of His Honour Judge and Mrs. Burgis, consequently the attendance was good and the balance amounted to over £238.

We much regret that for health reasons we are losing Mrs. Bickerton as our chairman, an office she has held a good many years, but are very glad to know she will still remain on the Committee and shall look forward to seeing her at future meetings, we are most grateful to her for all her work and the very keen interest she has always taken; also we are sorry to have lost Mrs. Vesey, Mrs. Moseley and Mrs. Blayney, who have all left the district, and trust they will be happy in their new spheres. We have been able to welcome as new members Mrs. Bissett, Mrs. Harte, Mrs. Mark and Mrs. S. D. Potts.

We would like to thank everyone who has helped us in the past, and it is our earnest hope that they will enable us to continue our work despite the war and the difficulties it will entail as we feel that now it is even more necessary than before.
